RECITALS

Employer acts as public plan sponsor of a retirement plan (“Plan”), and in that capacity, has responsibility to obtain administrative services and investment alternatives for the Plan;

VantageTrust is a group trust established and maintained in accordance with New Hampshire Revised Statutes Annotated section 391:1 and Internal Revenue Service Revenue Ruling 81-100, 1981-1 C.B. 326, which provides for the commingled investment of retirement funds held by various state and local governmental units for their employees;

ICMA-RC acts as investment adviser to VantageTrust Company, LLC, the Trustee of VantageTrust;

ICMA-RC has designed, and VantageTrust offers, a series of separate funds (the “Funds”) for the investment of plan assets as referenced in VantageTrust’s principal disclosure document, “Making Sound Investment Decisions: A Retirement Investment Guide” and the accompanying VantageTrust Fund Fees and Expenses document (“Retirement Investment Guide”);

The Funds are available only to public employers and only through VantageTrust and ICMA-RC; and

In addition to serving as investment adviser to VantageTrust, ICMA-RC provides a range of services to public employers for the operation of employee retirement plans including, but not limited to, communications concerning investment alternatives, account maintenance, account recordkeeping, investment and tax reporting, transaction processing, benefit disbursement, and asset management.

AGREEMENTS

1. Appointment of ICMA-RC

Employer hereby appoints ICMA-RC as Administrator of the Plan to perform all nondiscretionary functions necessary for the administration of the Plan. The functions to be performed by ICMA-RC shall be those set forth in Exhibit A to this Agreement.

2. Adoption of Trust

Employer has adopted the Declaration of Trust of VantageTrust Company and agrees to the commingled investment of assets of the Plan within VantageTrust. Employer agrees that the investment, management, and distribution of amounts deposited in VantageTrust shall be subject to the Declaration of Trust, as it may be amended from time to time and shall also be subject to terms and conditions set forth in disclosure documents (such as the Retirement Investment Guide or Employer Bulletins) as those terms and conditions may be adjusted from time to time.

3. Employer Duty to Furnish Information

Employer agrees to furnish to ICMA-RC on a timely basis such information as is necessary for ICMA-RC to carry out its responsibilities as Administrator of the Plan, including information needed to allocate individual participant accounts to Funds in VantageTrust, and information as to the employment status of participants, and participant ages, addresses, and other identifying information (including tax identification numbers). Employer also agrees that it will notify ICMA-RC in a timely manner regarding changes in staff as it relates to various roles. This is to be completed through the online EZLink employer contact options. ICMA-RC shall be entitled to rely upon the accuracy of any information that is furnished to it by a responsible official of the Employer or any information relating to an individual participant or beneficiary that is furnished by such participant or beneficiary, and ICMA-RC shall not be responsible for any error arising from its reliance on such information. ICMA-RC will provide reports, statements and account information to the Employer through EZLink, the online plan administrative tool.

Employer is required to send in contributions through EZLink, the online plan administration tool provided by ICMA-RC. Alternative electronic methods may be allowed, but must be approved by ICMA-RC for use. Contributions may not be sent through paper submittal documents.

To the extent Employer selects third-party funds that do not have fund profile information provided to ICMA-RC through our electronic data feeds from external sources (such as Morningstar) or third party fund providers, the Employer is responsible for providing to ICMA-RC timely fund investment updates for disclosure to Plan participants. Such updates may be provided to ICMA-RC through the Employer's investment consultant or other designated representative.

Failure to provide timely fund profile update information, including the source of the information, may result in a lack of fund information for participants, as ICMA-RC will remove outdated fund profile information from the systems that provide fund information to Plan participants.

4. Certain Representations and Warranties

ICMA-RC represents and warrants to Employer that:

- (a) ICMA-RC is a non-profit corporation with full power and authority to enter into this Agreement and to perform its obligations under this Agreement. The ability of ICMA-RC to serve as investment adviser to VantageTrust is dependent upon the continued willingness of VantageTrust for ICMA-RC to serve in that capacity.
- (b) ICMA-RC is an investment adviser registered as such with the U.S. Securities and Exchange Commission under the Investment Advisers Act of 1940, as amended.
- (c) ICMA-RC shall maintain and administer the Plan in accordance with the requirements for eligible deferred compensation plans under Section 457 of the Internal Revenue Code and other applicable federal law; provided, however, that ICMA-RC shall not be responsible for the eligible status of the Plan in the event that the Employer directs ICMA-RC to administer the Plan or disburse assets in a manner inconsistent with the requirements of Section 457 or otherwise causes the Plan not to be carried out in accordance with its terms. Further, in the event that the Employer uses its own customized plan document, ICMA-RC shall not be responsible for the eligible status of the Plan to the extent affected by terms in the Employer's plan document that differ from those in ICMA-RC's standard plan document. ICMA-RC shall not be responsible for monitoring state or local law or for administering the Plan in compliance with local or state requirements unless Employer notifies ICMA-RC of any such local or state requirements.

Employer represents and warrants to ICMA-RC that:

- (d) Employer is organized in the form and manner recited in the opening paragraph of this Agreement with full power and authority to enter into and perform its obligations under this Agreement and to act for the Plan and participants in the manner contemplated in this Agreement. Execution, delivery, and performance of this Agreement will not conflict with any law, rule, regulation or contract by which the Employer is bound or to which it is a party.
- (e) Employer understands and agrees that ICMA-RC's sole function under this Agreement is to act as recordkeeper and to provide administrative,

investment or other services at the direction of Plan participants, the Employer, its agents or designees in accordance with the terms of this Agreement. Under the terms of this Agreement, ICMA-RC does not render investment advice, is not the Plan Administrator or Plan Sponsor as those terms are defined under applicable federal, state, or local law, and does not provide legal, tax or accounting advice with respect to the creation, adoption or operation of the Plan and its related trust. ICMA-RC does not perform any service under this Agreement that might cause ICMA-RC to be treated as a “fiduciary” of the Plan under applicable law, except, and only, to the extent that ICMA-RC provides investment advisory services to individual participants enrolled in Guided Pathways.

- (f) Employer acknowledges and agrees that ICMA-RC does not assume any responsibility with respect to the selection or retention of the Plan’s investment options. Employer shall have exclusive responsibility for the Plan’s investment options, including the selection of the applicable mutual fund share class. Where applicable, Employer understands that the VT Retirement Income Advantage Fund is an investment option for the Plan and that the fund invests in a separate account available through a group variable annuity contract. By entering into this Agreement, Employer acknowledges that it has received the Important Considerations document and the Retirement Investment Guide and that it has read the information therein concerning the VT Retirement Income Advantage Fund.
- (g) Employer acknowledges that certain such services to be performed by ICMA-RC under this Agreement may be performed by an affiliate or agent of ICMA-RC pursuant to one or more other contractual arrangements or relationships, and that ICMA-RC reserves the right to change vendors with which it has contracted to provide services in connection with this Agreement without prior notice to Employer.
- (h) Employer acknowledges that it has received ICMA-RC’s Fee Disclosure Statement, prepared in substantial conformance with ERISA regulations regarding the disclosure of fees to plan sponsors.
- (i) Employer approves the use of its Plan in ICMA-RC external media, publications and materials. Examples include press releases announcements and inclusion of the general plan information in request for proposal responses.

5. Participation in Certain Proceedings

The Employer hereby authorizes ICMA-RC to act as agent, to appear on its behalf, and to join the Employer as a necessary party in all legal proceedings involving the garnishment of benefits or the transfer of benefits pursuant to the divorce or separation of participants in the Plan. Unless Employer notifies ICMA-RC otherwise, Employer consents to the

disbursement by ICMA-RC of benefits that have been garnished or transferred to a former spouse, current spouse, or child pursuant to a domestic relations order or child support order.

6. Compensation and Payment

- (a) **Plan Administration Fee.** The amount to be paid for plan administration services under this Agreement shall be 0.55% per annum of the amount of Plan assets invested in VantageTrust. Such fee shall be computed based on average daily net Plan assets in VantageTrust.
- (b) **Compensation for Management Services to VantageTrust, Compensation for Advisory and other Services to The Vantagepoint Funds and Payments from Third-Party Mutual Funds.** Employer acknowledges that, in addition to amounts payable under this Agreement, ICMA-RC receives fees from VantageTrust for investment advisory services and plan and participant services furnished to VantageTrust. Employer further acknowledges that certain wholly owned subsidiaries of ICMA-RC receive compensation for advisory and other services furnished to The Vantagepoint Funds, which serve as the underlying portfolios of a number of Funds offered through VantageTrust. For a VantageTrust Fund that invests substantially all of its assets in a third-party mutual fund not affiliated with ICMA-RC, ICMA-RC or its wholly owned subsidiary receives payments from the third-party mutual fund families or their service providers in the form of 12b-1 fees, service fees, compensation for sub-accounting and other services provided based on assets in the underlying third-party mutual fund. These fees are described in the Retirement Investment Guide and ICMA-RC's fee disclosure statement. In addition, to the extent that third party mutual funds are included in the investment line-up for the Plan, ICMA-RC receives administrative fees from its third party mutual fund settlement and clearing agent for providing administrative and other services based on assets invested in third party mutual funds; such administrative fees come from payments made by third party mutual funds to the settlement and clearing agent.
- (c) **Redemption Fees.** Redemption fees imposed by outside mutual funds in which Plan assets are invested are collected and paid to the mutual fund by ICMA-RC. ICMA-RC remits 100% of redemption fees back to the specific mutual fund to which redemption fees apply. These redemption fees and the individual mutual fund's policy with respect to redemption fees are specified in the prospectus for the individual mutual fund and referenced in the Retirement Investment Guide.
- (d) **Payment Procedures.** All payments to ICMA-RC pursuant to this Section 6 shall be made from Plan assets held by VantageTrust or received from third-party mutual funds or their service providers in connection with Plan assets invested in such third-party mutual funds, to the extent not paid by

the Employer. The amount of Plan assets administered by ICMA-RC shall be adjusted as required to reflect any such payments as are made from the Plan. In the event that the Employer agrees to pay amounts owed pursuant to this Section 6 directly, any amounts unpaid and outstanding after 30 days of invoice to the Employer shall be withdrawn from Plan assets.

The compensation and payment set forth in this Section 6 are contingent upon the Employer's use of ICMA-RC's EZLink system for contribution processing and submitting contribution funds by ACH or wire transfer on a consistent basis over the term of this Agreement.

7. Contribution Remittance

Employer understands that amounts invested through VantageTrust are to be remitted directly to VantageTrust in accordance with instructions provided to Employer by ICMA-RC and are not to be remitted to ICMA-RC. In the event that any check or wire transfer is incorrectly labeled or transferred to ICMA-RC, ICMA-RC may return it to Employer with proper instructions.

8. Indemnification

ICMA-RC shall not be responsible for any acts or omissions of any person with respect to the Plan or its related trust, other than ICMA-RC in connection with the administration or operation of the Plan. Employer shall indemnify ICMA-RC against, and hold ICMA-RC harmless from, any and all loss, damage, penalty, liability, cost, and expense, including without limitation, reasonable attorney's fees, that may be incurred by, imposed upon, or asserted against ICMA-RC by reason of any claim, regulatory proceeding, or litigation arising from any act done or omitted to be done by any individual or person with respect to the Plan or its related trust, excepting only any and all loss, damage, penalty, liability, cost or expense resulting from ICMA-RC's negligence, bad faith, or willful misconduct.

9. Term

This Agreement shall be in effect and commence on the date all parties have signed and executed this Agreement ("Inception Date"). This Agreement may be terminated without penalty by either party on sixty days advance notice in writing to the other; provided however, that the Employer understands and agrees that, in the event the Employer terminates this Agreement (or replaces the VT PLUS Fund as an investment option in its investment line-up), ICMA-RC retains full discretion to release Plan assets invested in the VT PLUS Fund in an orderly manner over a period of up to 12 months from the date ICMA-RC receives written notification from the Employer that it has made a final and binding selection of a replacement for ICMA-RC as administrator of the Plan (or a replacement investment option for the VT PLUS Fund).

10. Amendments and Adjustments

- (a) This Agreement may be amended by written instrument signed by the parties.
- (b) ICMA-RC may amend this agreement by providing 60 days' advance written notice to the Employer prior to the effective date of such proposed amendment. Such amendment shall become effective unless, within the 60-day notice period, the Employer notifies ICMA-RC in writing that it objects to such amendment.
- (c) The parties agree that enhancements may be made to administrative and operations services under this Agreement. The Employer will be notified of enhancements through the Employer Bulletin, quarterly statements, electronic messages or special mailings. Likewise, if there are any reductions in fees, these will be announced through the Employer Bulletin, quarterly statement, electronic messages or special mailing.

11. Notices

All notices required to be delivered under this Agreement shall be in writing and shall be delivered, mailed, e-mailed or faxed to the location of the relevant party set forth below or to such other address or to the attention of such other persons as such party may hereafter specify by notice to the other party.

12. Complete Agreement

This Agreement shall constitute the complete and full understanding and sole agreement between ICMA-RC and Employer relating to the object of this Agreement and correctly sets forth the complete rights, duties and obligations of each party to the other as of its date. This Agreement supersedes all written and oral agreements, communications or negotiations among the parties. ICMA-RC's identified fund line-up is a commitment to administer these funds for the plan, not advice to the plan sponsor on the composition of the plan's fund line-up. ICMA-RC provides plan sponsors fund information to assist them in meeting their fiduciary responsibility in managing the plan. The plan sponsor retains the obligation to prudently select and monitor the investment funds it offers to plan participants. ICMA-RC may adjust fees commensurate with changes in revenue from alternative funds selected by the plan sponsor from ICMA-RC's mutual fund platform.

Fund expenses are subject to change.

⁴ Direct transfers from a stable value fund to competing funds are restricted. Competing funds may include, but are not limited to money market mutual funds, certificates of deposit, stable value funds, investment options that offer guarantees of principal or income, certain short-term bond funds and self-directed brokerage accounts. Certain restrictions may apply when you want to transfer money from a stable value fund to a competing fund. These restrictions generally include waiting periods before transfers can be made back into a stable value fund.

Investments in the fund are not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. Although the Dreyfus Cash Management Fund seeks to preserve the value of the fund at \$1.00 per share, it is possible to lose money by investing in the fund. The 7-Day Yield more closely reflects the Fund's current earnings than the quotation of total return.

⁶ A fixed income fund is subject to credit risk and interest rate risk. Credit risk is when an issuer of a fixed income security may be unable or unwilling to make payments of principal or interest to the holders of these securities or may declare bankruptcy. Fixed income securities fluctuate in value as interest rates change. When interest rates rise, the market prices of fixed income securities will usually decrease; when interest rates fall, the market prices of fixed income securities usually will increase.

⁸ Funds that invest primarily in high yield bonds (bonds that are rated below investment grade and also known as "junk bonds") are subject to additional risk as these high yield bonds are considered speculative and involve a greater risk of default than "investment grade" securities. The values of these securities are particularly sensitive to changes in interest rates, issuer creditworthiness, and economic and political conditions. The market prices of these securities may decline significantly in periods of general economic difficulty, may be harder to value, and may be less liquid than higher rated securities.

¹⁰ The expense ratio for a "fund of funds" includes acquired fund fees and expenses, which are expenses incurred indirectly by the fund through its ownership in other mutual funds.

¹¹ The fund is not a complete solution for all of your retirement savings needs. An investment in the fund includes the risk of loss, including near, at or after the target date of the fund. There is no guarantee that the fund will provide adequate income at and through an investor's retirement. Selecting the fund does not guarantee that you will have adequate savings for

¹² Certain funds may be subject to style risk, which is the possibility that the investment style of its investment adviser will trail the returns of the overall market. In the past, different types of securities have experienced cycles of outperformance and underperformance in comparison to the market in general. For example, growth stocks have performed best during the later stages of economic expansion and value stocks have performed best during periods of economic recovery. Both styles may go in and out of favor. When the investing style used by a fund is out of favor, that fund is likely to underperform other funds that use investing styles that are in favor.

¹⁴ Funds that invest primarily in mid-capitalization companies involve greater risk than is customarily associated with investments in larger, more established companies. Equity securities of mid-capitalization companies generally trade in lower volume and are generally subject to greater and less predictable price changes than the securities of larger companies.

¹⁵ Funds that invest primarily in small-capitalization companies involve greater risk than is customarily associated with investments in larger, more established companies. Equity securities of small-capitalization companies are generally subject to greater price volatility than those of larger companies due to less certain growth prospects, the lower degree of liquidity in the markets for their securities, and the greater sensitivity of smaller companies to changing economic conditions. Also, small-capitalization companies may have more limited product lines, fewer capital resources and less experienced management than larger companies.

¹⁶ Funds that invest in foreign securities are exposed to the risk of loss due to political, economic, legal, regulatory, and operational uncertainties; differing accounting and financial reporting standards; limited availability of information; currency fluctuations; and higher transaction costs. Investments in foreign currencies or securities denominated in foreign currencies (including derivative instruments that provide exposure to foreign currencies) may experience gains or losses solely based on changes in the exchange rate between foreign currencies and the U.S. dollar. The risk of investing in foreign securities may be greater with respect to securities of companies located in emerging market countries. The value of developing or emerging market currencies may fluctuate more than the currencies of companies with more mature markets.

¹⁷ Sector funds tend to be riskier and more volatile than the broad market because they are generally less diversified and more volatile than other mutual funds.
